

# Career Access Professional Services

Finding employment that suits whoever you are!

The Magnet Network helps communities share information, services and opportunities nationwide. Magnet delivers the right information and opportunities to the right people at the right time! They have partners such as the Future Skills Centre and Firespirit which both work to help marginalized communities find equitable and equal job opportunities in their community!

Magnet has a reach of 1.1 million students, alumni and job seekers with a network of 65 economic development and industry association partners, and over 300 community partners and 72 indigenous-serving organizations!

---

## ADDITIONAL STEPS FOR SELF-DECLARATION OF DISABILITY:

# Career Access Professional Services

Once you have fully registered with the Magnet Network Website, you will be given a prompt asking if you wish to self-declare yourself with a disability! Go to the Prompt or the toolbar on the left to locate the Self-Declaration! Once there, you can give information about self-declaring yourself with a disability!

**Note:** Your information belongs to your account and will only be disclosed if the employer is categorized as a *Diversity Target Posting*
