

What is Archway?

Archway is a new support team at McMaster that works with all incoming first-year students from the day they are accepted and right up until the end of first year. Each student will be connected with an Archway Coach (professional staff) and Archway Mentor (upper-year student leader) who will take the time to understand their goals and what they want out of their McMaster experience. This professional team will partner with each student throughout the year to make sure they are connected to the right information, people and fellow students to make their year a success. Archway is here to help students navigate the McMaster system so they can receive all the information and support they need.

Archway Summer Timeline

Each student will have received an email from the Archway program, and an email from their Archway Mentor the week of July 13, 2020. This email is to introduce students to their Archway Mentor and their Archway Community, and to coordinate a time for a quick "meet and greet". Students are welcome to continue communicating with their Mentor any questions or concerns they may have.

If your student has not received an email from their Archway Mentor, please double-check your junk/spam folders, and contact archway@mcmaster.ca if you still are unable to find it.

Stay in touch!

If you have questions, comments, concerns, or aren't sure where to look at McMaster, Archway is here to help you! Feel free to contact us by email or through Instagram for specific inquiries, and register for our "Parent's Newsletter" found here: <https://archway.mcmaster.ca/parents-guardians/>
