Experience Building: Find Opportunities on OSCARplus

The Experiential Module

Do you ever worry that you do not have any or enough experience? Many students feel the same – you are not alone. The experiential team at the Student Success Centre has a module for you on OSCARplus to develop your skills and to help you learn about other ways you can get experience.

Accessing the Module

- Log in to OSCARplus using your MacID.
- Select “Student Success Centre” from the left panel.
- Select “Get Experience” from the drop-down menu.
- Select “Find Opportunities.”

Benefits of the Module

- Develop transferrable skills.
- Find volunteer/work opportunities.
- Learn how to apply your knowledge.
- Enhance your reflective practices.
- Prepare yourself for the job market.
- Learn how to build connections.

Work at your own pace! There is no deadline to go through the Get Experience module. It’s virtual! Everything is accessible online.

If you need support or have questions about getting experience, come chat with us! You can book one-on-one appointments to get advice and learn about more experiential learning opportunities. Visit OSCARplus to book an appointment!

Any questions can be directed to experiential@mcmaster.ca.
