

# McMaster Exchange Program

## Statement of Interest – Research Abroad

Please download the document, fill it out and save it on your device. Then, upload it to your online exchange application.

- 1. Personal:** How will this experience contribute to your academic and professional development? (Max. 150 words)
  
- 2. Relevant background:** What relevant background do you bring to this experience (prior research experience, lab skills, software knowledge, etc.) that might be of interest to a hosting professor? (Max. 150 words)
  
- 3. Research area/supervisor of interest:** What is your research area of interest? Take into consideration the academic focus of the hosting institution/exchange agreement. If there are specific groups/professors you would be interested in working with, please include these briefly with a short explanation. (Max. 150 words)
